Additional info:

1. I have decided to not accept anymore trailers, such as pop-up campers, mobile homes, 5<sup>th</sup> Wheels etc. From now on, people need to disassemble them and separate recyclable material from the demo and garbage. It is just far too much of a pain for Carey and I to do it on site. There are several other options for the owner to dispose of the units.
2. We finally have another triple crown winner. I must say he not in the same class as all the others, but congrats to An American Pharaoh anyway.

Respectfully Submitted,

Ted Pallas Supervisor M.R.F.
